

# The Shootout at Pawnee Station

August 20<sup>th</sup>, 21<sup>st</sup>, & 22<sup>nd</sup> 2010

Participation limited to first **100** Shooters

We are planning another fun Shootout this year! Twelve great main match stages, side matches, a team shoot and a couples shoot. We're adding a few new events this year to keep things interesting. A two stage Wild Bunch match on Friday afternoon in place of last year's Plainsman event and a Main Street Showdown stage on Saturday afternoon.

Main Match fees are the same as last year and still include all the side matches and lunch on Saturday and Sunday for all registered match participants. Additional lunch tickets can be purchased for guests.

For your convenience we are sending you an early registration form already filled out. Please make any changes needed and don't forget to sign up for any extras, like extra lunch tickets
